## Axios

## JSX

The screenshot shows a web browser window with the address bar displaying 'localhost:3000/master-data/users'. The web application is for 'INSTITUT BISNIS & INFORMATIKA KESATUAN'. The navigation bar includes links for Home, Explore, Messages, Master Data, and Log Out. The main content area features two cards: 'Products' with a link to 'Master data control Products' and 'Users' with a link to 'Master data control Users'. Below the 'Users' card, a table titled '2 numbers of users' displays user information. To the right, a 'Form Users' section provides input fields for user details.
